### So Much to Be Proud Of!

If you've walked through our halls lately, you can feel it: our school is busy in the best possible way! There is so much happening right now, and it's exciting to see students stepping up in so many different areas. From Track athletes putting in the work, to students preparing for Cheer tryouts, to the creativity and teamwork happening in One Act Play, there's energy everywhere you look. Add in our Can Food Drive making a difference in our community, and the focus and discipline of Golf and Tennis, and it's clear you are showing up in so many ways.

What makes this special isn't just the events, it's the effort, courage, and teamwork behind them. Whether you're competing, performing, serving, or cheering someone on, you're helping make our school something to be proud of.

Keep it up. I love seeing all of you find your place and give it your best!

## THIS WEEK IN HISTORY

The history of St. Patrick's Day dates back more than 1,000 years and honors Ireland's patron saint, Saint Patrick. The holiday is celebrated annually on March 17, the anniversary of his death in the fifth century. The Irish have observed this day as a religious holiday for over 1,000 years. On St. Patrick's Day, which falls during the Christian season of Lent, Irish families would traditionally attend church in the morning and celebrate in the afternoon. Lenten prohibitions against the consumption of meat were waived and people would dance, drink and feast on the traditional meal of Irish bacon and cabbage.
