

Grill to Glory Spring 2024 Registration Form

Grill to Glory is a highly visible, high-impact, neighborhood engagement model designed to challenge and change the culture in urban neighborhoods. The purpose is to re-engineer neighborhoods and make the neighborhood Church a focal point for individuals and neighborhood families. Through weekly community building cook-outs individuals and families become familiar with the neighborhood Church and lasting relationships are built and maintained.

Grill to Glory organizers are aligning churches in unity to host brief cook-outs each Saturday 11am – 1pm starting May 18, 2024.
