

November

Hello Families! Thank you for taking time to read the monthly newsletter. Wishing you a wonderful month!

Days Off: School will be closed November 10th & 11th for Teacher Training and Veterans Day. We are required to participate in training each year to keep our preschool license. Thank you for understanding. We will also be closed November 27th & 28th for Thanksgiving Break.

Thanksgiving: We like to celebrate Thanksgiving at preschool by doing fun turkey themed activities, making a family card, and having pumpkin pie with whipped cream for snack.

Winter Weather: Once the winter weather arrives, please be careful in the parking lot as it can get slippery. If your child comes to school with wet, snowy boots and you would like them to change, you are welcome to help them remove their boots and leave them on the black trays in the hallway. Inside the classroom, the children are welcome to wear whatever they prefer... boots, shoes, slippers, or socks. Also, this is a great time to help your child work on putting on/taking off their coat, hat & boots independently.

Book Orders: Our 2nd book order of the year will be sent out the first week of November and will be due November 21. This will allow enough time for the books to arrive, be sorted and passed out before winter break. Books will be placed in the hallway for pick-up in bags labeled with your child's name, this way if they are gifts, parents can take them after drop-off. Books make excellent gifts for preschoolers! As a reminder, ordering from the book order is always optional. Thank you!

What's New: The dramatic play rotation center will switch from a Fall Garden Center to an Animal Hospital/Clinic. The sensory table will be filled with straw builders for creating 2D and 3D shapes, towers, and much more! We will do some sensory play with shaving cream a couple times this month.

Jr. Preschool Class A: Later this month, we will be switching from our seasonal theme-based curriculum to our Jr. Preschool alphabet curriculum. We'll be doing daily literacy and art activities, and throughout the month we'll be incorporating activities based in science, math, music, and movement.

* Class A (T/Th A.M.) Winter Music Program will be Thursday, December 18th from 10:00 AM – 10:20 AM

Kindergarten Readiness Classes B & C: We are working our way through the alphabet and have been having fun exploring all the exciting lessons that come with each letter. This month we are looking forward to two more guest speakers – a gymnast and a hockey player!

*Class B (MWF A.M.) Winter Music Program will be Friday, December 19th from 10:00 AM – 10:20 AM

*Class C (TWTh P.M.) Winter Music Program will be Thursday, December 18th from 1:00 PM – 1:20 PM

Thank you and have a great month!

If you ever have questions or concerns, feel free to reach out!
