

April & May News

Hello! It's hard to believe this our LAST newsletter! What a wonderful year we've had at school. We have seen amazing things from every child and we are so proud of them all! If you are moving on, please keep in touch with us over the years. We love receiving updates and graduation announcements from our former students! Thanks for a great year!

May Event: This year we are bringing our end of the year field trip to us! We have done this a few times in the past due to weather or pandemic and it is always a fun day even though we don't leave the school. At the time of writing this, we are still working out details with our classroom presenters for the day, but please know we are planning a fun day for everyone. We are scheduling a guest presenter, a special snack or cooking activity, and outdoor play. Please watch your child's backpack and Remind in the upcoming days/week for specific details on our fun end-of-the-year celebration! Thank you!

Yoga Day: We loved participating in the 7th annual International Kids' Yoga Day. We joined children from 33 countries around the world doing yoga and celebrating the benefits of yoga for all!

Easter: Even though it was a snowy one, we hope you all had a great Easter!

Outside: Once the snow melts and the yard dries out, we'll start going outside again when our schedule allows.

Payments: If you are paying through ACH payments, the last one for the year will be April 20th. Thank you!

Program/Last Day:

*Jr. Preschool Classes A & B (T/Th morning classes) will have their Spring Music Program and last day on Thursday, May 19th at 10:00 a.m.

*Classes that meet 3 days/week (Classes C, D, E & F) will have their last day and Spring Music Program on Wednesday, May 18th. The program for the morning classes will be at 10:00 a.m. The program for the afternoon classes will begin at 1:30 p.m.

* We will use the same format as we did for the winter program. Children should still come to school at regular time to practice. Following the program you may pick up your child's belongings in the classroom and visit the snack table in the hallway to get some treats for your family to enjoy. Students will be taking home Memory Books on the last day so be sure get it before leaving. We've had a great year of learning & fun and we can't wait to celebrate at the programs! All are welcome to attend our music program!

Thank you for letting us care for your children this year. We've loved getting to know them and watch them grow!
