Do you have any physical Limitations?

Allergies (including bee stings)?

I am able to lift 50lbs easily:

Please list any current medications you are taking and any emotional or mental health issues you have had professional help with (please note that having mental health issues will not automatically disqualify you. Conversely, we consider honesty and clear communication to be an asset):

Please describe your level of daily neatness:

Please describe your relationship with drugs (including weed) & alcohol:

Please tell us a bit about why you are interested in this position:

Please provide a recent photo, your social media links, and at least two work references.

Please Note: It is only necessary to complete the following if you are applying for a Care-taker position and/or you are interested in a long term involvement with the ranch:

Can you tell us, what sustainability means to you, and what role it plays in your life:

Have you ever lived in community? If so, please describe your overall experience and include what you liked best and least about it. Please also tell us what aspects of your personality you feel make you a positive (or negative) influence in community living:

What skills, talents, or passions would you like to share in a community setting;

What is your background with Yoga, Meditation or other Spiritual or healing modalities?

How do you resolve conflict with yourself or others:

Why are you interested in moving on from your current living situation?

What are your life goals?

What is your financial situation including insurances any transportable, marketable skills (this can be described in general terms, but we'd like to have some idea of how you would be able to sustain yourself financially if your involvement here were to become longer term):
