requesting Binance & Coinbase list
PEPU
(see chng.it/M2LXyyH2v4)

As of 2/13 6am we are at 78 signatures.
Let's go people – pump it up!

NOTES to PEPU Developers:

- Having launched two tokens on the PP, I've run into the need to edit the token's image, website, & social media link but don't see how to do this. If I own the token, I need to be able to edit it's properties. Please provide this capability and add to your documentation.

EDITOR's DESK – Day 18...

MAIN NEWS PAGE (1):

PEPU Army - Welcome to the "GigaBrain" newsletter. Ignore all the FUD and stay focused. Keep buying PEPU while the price is low, stake and hold. Stay focused and tune out all the crap posting about this project. Stay positive, I think we have a great future with this coin and platform. Looking at the **pepuscan.com** block explorer, we see some good cumulative transaction growth over time (below). Very positive! We will begin taking a closer look into the block explorer and all the interesting stats it provides (these are the true ecosystem metrics).

ROADBLOCKS: Will attempt to post to CMC again today and see how that goes. The newsletter is posted daily to <https://yotfb.io> website under Newsletters, so book mark that site or page to stay tuned to this project.

PEPU TIMELINE (2): Some day by day notes of our journey...

ROADMAP (3): The big picture and plans/architecture.

APP DEVELOPMENT (4): Info about our PEPU ecosystem application development project: TWOPU (word game)

COMMUNITY NUGGETS (5): Info and thoughts from community contributors.

DEX/CEX (6): Any news about our Tier 1 exchange listings...

Our online petition requesting BINANCE and COINBASE list PEPU is getting some traction. We are up to 78 signatures as of today. Not 76,000 but hey, it's a start. Inch by inch, life's a cinch – yard by yard, life is hard. Let's keep pumping and pushing the petition (chng.it/M2LXyyH2v4)

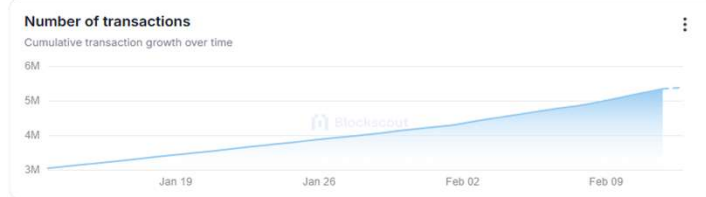

PUMP PAD (7): Featuring ALICE today for 2nd day in a row. She looks for professional. Love it!

Trying to search within the block explorer to find the number of tokens isn't clear. If anyone has thoughts on this, let me know.

PEPU INVESTING (8): Notes about how to buy, claim/stake and sell PEPU tokens.

PEPU BLOCK EXPLORER (9): Info about the pepuscan.com site and block explorer – Good stats!
