

Ironwood Area Pride is looking for **Pride UP 2024** donations! If hosting an inclusive and inviting celebration for all is on your list of community actions, we want to connect with you!

June is celebrated as Lesbian, Gay, Bisexual, Transgender and Queer (LGBTQ) Pride Month. Ironwood Area Pride, community businesses, residents and partners will host Pride UP 2023 from **Friday, June 7th, Saturday June 8th and Sunday, June 9th in downtown Ironwood, Michigan!** The full schedule for this series of family-friendly, outdoor events will be released in the weeks ahead, offering an array of activities, music, food and giveaways. Visit felivelife.org to view the entire list of activities and guests as they are confirmed.

This is your invitation to play a part, big and small! Included with this letter is a form outlining different ways Ironwood Area Pride is organizing participation. Business or individual sponsors who would like recognition will have their logo or name added to promotional materials displayed online and in-print throughout Pride UP 2024 events.

If interested, please reach out to Ironwood Area Pride partner Cathy from Northwind Natural Foods Co-op at 906.932.3547 or cathy@northwindcoop.org, or return the completed form to Northwind Co-op at 116 S. Suffolk Street **by May 24th** to be included in promotional materials. Of course, if Ironwood Area Pride receives your donation and information sooner, we'll begin promotions right away! Any contribution is greatly appreciated, however we are most in need of financial contributions at this time to help cover musical performance expenses, health and safety measures and the cost of community meals.

Be well,

Ironwood Area Pride
