NOTE 1: Games played against conference opponents will be the primary method of determining play-off seedings. Teams earn 12 championship points for each conference win. If teams end the season with the same amount of championship points, head-to-head record be the first method of tie-breaker to determine which team will be ranked higher in playoff seedings, in the event that a three way tie occurs and head-to-head tie breaker can not determine the higher seeded team then total wins (conference and non conference wins combined) will determine play-off seedings. In the unlikely event that neither of the first two tie-breaker methods can determine seedings a coin toss (per MBYFL Rule Book) will determine the higher seeding and the first two tie-breaker methods will determine any subsequent ties.
