

Activities

We strive to make our residents' stay at Rosebank a pleasant and enjoyable experience. To help keep residents entertained and stimulated, we provide a range of daily activities in which we encourage residents to participate in. We also try to arrange events around celebrations such as birthdays, Easter, Royal celebrations and various charity events such as Red Nose Day and Children in Need etc. Family and friends are always welcome to attend any of our events and can visit at any reasonable time of the day.

Our Fees and Funding

We offer both long term and short term, respite care. The fees for which vary depending upon the level of care required and the residents' individual circumstances.

At Rosebank we accept both private and Local Authority funded residents. Funding will be available from your Local Authority Services Department, for those who meet the Eligibility Criteria. The capital allowance is reviewed each year so for more information or if you wish to discuss your personal circumstances further please call our Accounts Manager on Tel: 0114 2309988.

ROSEBANK *Care Home*

26 Bed Residential Specialist Dementia Care Home

Offering both long & short term Dementia,
Respite & General Care for the elderly

Silver Healthcare provides high quality specialist dementia residential care to older people throughout the Sheffield area. Our philosophy is centred on the provision of excellent service and we pride ourselves on delivering the best quality in a modern and relaxing environment.

About Us

Rosebank Care Home is a 26 bed home providing both dementia and residential care. The home is situated 5 minutes from Sheffield City Centre in a quiet, residential area. Local amenities such as shops, restaurants and local transport links are all located close by. The home is made up of 26 rooms, twenty of which are single rooms and three twin rooms, for those who wish to share. We offer personalised support ranging from short term respite through to long term care. Free trials are offered for periods of up to 48 hours to allow you to get a feel for the home - This can mean anything from staying for a meal to overnight stay up to 48 hours.

Inside the Home

We aim to create a relaxed, happy atmosphere that is both homely and secure. The accommodation is spread over two floors which are accessible by lift. All of our bedrooms are homely and well furnished with nurse call system and TV point. Residents are also free to personalise their rooms if they wish. There are a number of communal lounges and dining rooms across the home and we also provide specialist equipment for residents who require it.

Our in-house catering team provide a healthy, well-balanced menu, all cooked daily using fresh ingredients. Special dietary needs and preferences are catered for and residents are given a varied choice of delicious food from a weekly changing menu.

The Care We Provide

Our staff understand that each person is different and we tailor our care to suit each individual resident. We recognise their needs and strive to treat each resident according to their own needs and wants. We provided a team of fully qualified and experienced staff who are on call 24 hours a day, 7 days a week.

To ensure our residents personal needs are catered for there are regular in-house visits from a variety of healthcare professionals, these include GP's, opticians, dentists, chiropractors and also hairdressers.
