

MOVIE MUSIC ROMANCE

An 80-minute presentation of movie music classics

Imagine cruising on a riverboat on a summer's evening with giant movie screens on either riverbank, each one featuring some of the most memorable love songs and dance tandems ever captured on film. That is precisely the effect we were trying to achieve when making *Movie Music Romance I*, a compilation of 23 classic love songs and dances selected from among the most memorable scenes in film history. "Movie Music Romance" is the first of our 10 "movie music" shows.

Please join us for this uplifting 80-minute tour through the years of pure lyrical genius, all filled with familiar faces, among them Fred Astaire, Ginger Rogers, Judy Garland, Audrey Hepburn, Julie Andrews, John Travolta and The Beatles. It's a fresh approach to film history, with each segment put into perspective by narrator and film history buff John LeGear. We think you'll be pleasantly surprised. We know you'll be humming a happy tune afterward. See you there!

A live, narrated, fun-filled film history presentation for public libraries, community colleges, and senior centers. By John LeGear at TimComm.com
