

MOVIE MUSIC ROMANCE

A 75-minute presentation of movie music classics

We all have our favorite movie moments that put a song in our heart and bring back precious memories. But have you ever wondered what it would be like to experience more than 20 of the most artfully-created movie scenes, love songs and dance tandems ever seen on the silver screen all in one sitting?

“Movie Music Romance” is just such an experience: a compilation of 23 classic songs and dances from among the finest in film history.

In this uplifting 75-minute presentation, familiar faces abound, among them Fred Astaire, Judy Garland, Julie Andrews, and John Travolta. And yet it’s fresh. It’s different. Most scenes are cast in a new light, often from a different perspective, because they’re re-edited to blend with accompanying music in a new way. It’s a journey through lyrical splendor that spans the past 107 years.

A live, narrated, fun-filled film history presentation for public libraries, community colleges, and senior centers. By John LeGear at TimComm.com
