## Production Content Acknowledgment

I understand that this production includes themes and material reflective of a modern high school setting, including but not limited to:

- Bold language, including occasional swearing
- References to bullying, gossip, and social conflict
- Sexual innuendo and references to relationships
- Character-driven humor based on social dynamics and reputation
- Costuming that may be stylized to reflect contemporary teen fashion

I acknowledge that this content is part of the script and is being presented in alignment with the intended message and integrity of the show.

## Costume & Staging Acknowledgment

I understand that:

- Costumes may include stylized or form-fitting elements consistent with the script
- Certain scenes (including themed party scenes) may involve heightened theatrical presentation. Grades 6-8 will not be in the “party” scene.
- All costuming and staging will remain true to the script with small changes for overly explicit content as needed

I consent to my student participating in all costumed and staged elements of the production.

## Role-Specific Content Acknowledgment

I understand that:

- Some roles may involve more mature dialogue, themes, or stage moments
- These may include sarcasm, innuendo, or references central to the storyline
- Casting decisions may place students in roles with varying levels of content exposure

I acknowledge and accept these possibilities.

## Middle School Participation (Grades 6–8)

I understand that:

- Students in grades 6–8 will only be cast with explicit parent/guardian consent before auditions!
- Not all roles or scenes are appropriate for younger students.
- Casting decisions for all scenes will reflect age-appropriateness at the directors’ discretion
