

Louisiana - Little Bit of This n That

April 27-28, 2027

Trip # - 270427CC – Carol Cleveland

Phone 334-412-7757

Cost: \$396 pp/dbl occupancy; \$496 pp/single

Deposit \$150.00 // Balance due on Feb. 25, 2027

We will visit Slidell Museum, which is 2 museums; we will have 2 docents to provide us with the tour. Following the tour, we will have a box lunch at the Abita Brewery with a tour of the brewery afterwards; should you desire, there is a company store you can visit. Afterwards we head to Baton Rouge for the night with a “kick-back” dinner provided by Drury Inn.

Day 2 we will visit Lone Oak Cemetery which is/was the cemetery for the women’s correctional facility; legend has it at one point during an epidemic it was necessary to bury the deceased standing up due to the sheer number. Once we finish we will head to the Hansen Leprosy Museum which is located on what was a military installation, **we may still need Star ID to enter**. This should be interesting as so little was known of Hansen disease. Afterwards we head to a Cajun village for shopping and lunch on your own. Our final stop in Louisiana will be Lara Plantation located in Vacherie; built in 1805, it is a Creole plantation and is on the National Register of Historic Places & Louisiana African American Heritage Trail.

Finally stop in D’Iberville at Newks before our final leg home.
