We're taking a wonderful road trip around the state of FLORIDA celebrating knitting and local yarn shops and American history and natural wonders and landmarks as we go. So what's the mystery? The places we'll visit, of course! And our inspiration for each leg.... And how that transforms into a beautiful shawl. We hope you'll pick up your needles and yarn and knit along as we embark on this grand knitting adventure.

Join the fun in 3 easy steps:

1. **Buy the Pattern.** It's available from your favorite Local Yarn Shop (LYS) and on Ravelry. It's called Florida Road Trip, and it's at a special price of \$3.98 until April 30, 2022. After that the price will increase with the release of each leg.
2. **Choose your Yarn.** Find amazing inspiration at your LYS. Choose one of the specially curated color combos, or go off-road and create your own.
3. **Connect.** Be encouraged and encourage others as we take this journey together. Find us on Instagram and Facebook (we have both a page and a group!) as Road Trip Mystery. We're also in the Ravelry Forums under Fans of Really Clear.
