## OUR COMMITMENT TO THE ENVIRONMENT

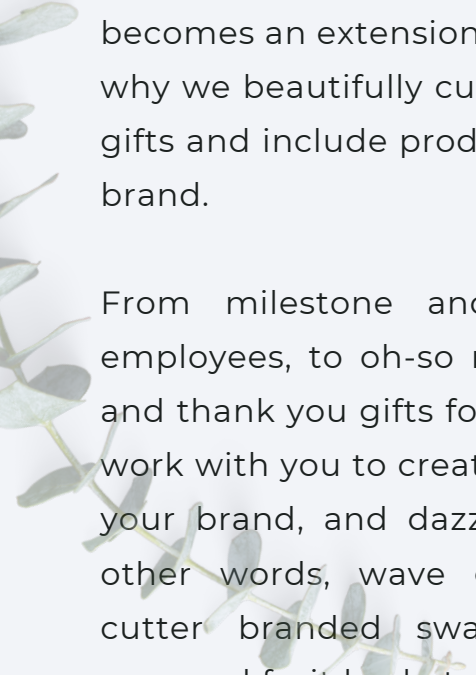

At Boxxed Gift Co. we make sure all items and products used to package every gift is eco-friendly. In our constant effort to reduce our carbon footprint, we partnered with Tree Era. For every gift box ordered, 1 tree is planted!

Gifting with us means you are also supporting the fight against climate change. You will surely be left with the positive feeling that comes from supporting a company who is stepping off the sidelines in the fight against climate change.

# YOUR BRAND IS THOUGHTFUL, CREATIVE, VIBRANT AND ELEGANT- AND YOUR GIFTS SHOULD REFLECT THAT.

Welcome to BOXXED Gift Co. Corporate Gifting, the destination for companies that understand a thoughtful gift can have a huge impact. We know that corporate gifts are not just gifts. They provide higher employee retention, nurture business relationships, boost lead generation, and most importantly, they are an extension of your brand. We understand that the second you send a gift to an employee, a business associate or a customer, this gift becomes an extension of your brand. That's why we beautifully customize all corporate gifts and include products that reflect your brand.

From milestone and holiday gifts for employees, to oh-so memorable welcome and thank you gifts for clients, we'd love to work with you to create gifts that highlight your brand, and dazzle the recipients. In other words, wave goodbye to cookie-cutter branded swag and cellophane-wrapped fruit baskets. Your gifting game is about to level up.
