

J.B. Vample

AUTHOR

Bio

J.B. Vample is an author who fell in love with the written word at a young age. While in her final year of high school, she came up with the concept of her new adult fiction series *The College Life Series*. After years of writing only for herself, J.B. published her debut novel *College Life 101: Freshman Orientation* in 2015. Since then, she has written and published the other eight installments of *TCLS*. Currently residing in Philadelphia, J.B. continues to write while managing her career as an indie author. *Right as Reign* is her tenth novel.

RIGHT AS REIGN

Can a woman who has spent her life hiding her feelings between the pages of a notebook, gain the courage to bare them to the one she's meant to be with?

Reign Price has always had a good head on her shoulders. At thirty-two, she's an editing supervisor, in the process of purchasing a home, and when she's not journaling her deepest thoughts into one of her notebooks, she's making time for her loved ones. Reign seems to have it all together-on the outside.

That's because Reign's ability to suppress her feelings is unmatched. Putting on a brave face while uttering the words "I'm fine" is a skill she has mastered. While her relationship of six years is on the verge of crumbling, Reign tries her best to remain stoic. However, after a devastating betrayal, she's forced to face her emotions head on.

Through it all, she rekindles a once-close friendship with Chase Williams-her best friend's older brother. Leaving a dead-end relationship of his own, Chase realizes that being close to Reign again is what he wants.

As old feelings resurface, and new desires reach fever pitch, Reign finds herself faced with a dilemma: be honest about how she truly feels, or risk losing the best thing that has ever happened to her.

Reviews for Right as Reign

"I couldn't put this book down. JB Vample is becoming my favorite author of all time & I am already waiting for her next release. Reign's growth was so realistic, which is refreshing to read. I loved all the details & could visualize each chapter so well. Do yourself a favor and purchase the book. You will not be disappointed." - *Reader*

"I loved this book, which I figured I would, I loved her college series. But this book, I truly enjoyed because I definitely saw a lot of myself in the Reign character. It gave me insight and also advice that I also needed to take. It will definitely be a book I will reread from time to time!" - *Reader*

"...This was a good friendship and women fiction read with a slow burn romance feel. There were several funny moments, a few emotional moments, best friends keeping it real with each other, a warm and fuzzy friends to lovers romance, and lots of drama." - *Reader*

"...I'd recommend this to fans of women's growth and healing, and friends to lovers romance." -
Reader

"This book is so wonderful! I enjoyed every minute of reading it, I couldn't put it down! I can't wait to see what's next!" - *Reader*

"Perfect escape. It's grounded in reality. However, for these few hundred pages you get to witness humor, pain, growth, and unconditional happiness. Highly recommend." - *Reader*

"This is my first time reading this author but it won't be my last. I enjoyed reading about Reign and Chase's love story. They were both with the wrong people and then became friends. Along the way it turned into something more. It was also good to have other characters to follow which made the story more interesting. Good book and can't wait to read other stories from this author." - *Reader*

"This book was amazing..." - *Reader*

Series Overview

The College Life Series is a fiction series that follows five young black women on their journey through college.

Series reviews

"I loved every single book in the series. I have never laughed, cried, and cussed at imaginary people in my life. I hate it's the end but I'm so glad every body got their happy ending. 5 stars for every book. I can't wait to continue to read your work."

"I wish I would restart this beautiful series over again. I could not put down this last book to save my life. All the characters have grown so much from Book One but still continue to grow even in their adult years. The book is realistic and relatable. It gave me hope for my near future. Thank you to the amazing author."

"This is the best series that I have read and my first review on Amazon. I have laughed and cried along with the characters. I would tell anyone to read this series from book 1 to 8 you will not be disappointed. I can't wait until book 9 comes out! I hate to see the series end."
