Welcome to Adirondack Axe! The Northeast's Premier Axe Throwing Venue! An indoor axe throwing facility in Queensbury, New York.

Adirondack Axe was created to bring a unique experience to the Adirondack North County which used to be the heart of the logging industry. Families use to live by the axe, now everyone can experience part of that through the sport of axe throwing. Adirondack Axe, LLC was created by co-owners Kristen & Steven Greene in 2019. As lifelong residents of the Queensbury/Lake George area and with over 20 years in the tourism attraction's business we are enthused about bringing this unique experience to the Queensbury/Lake George, NY area!

Rate is \$25 tax included PER PERSON PER HOUR plus fees.

Individuals (1-4 people) can reserve an Open Throw session for 1 hour. We may combine you/your small group with others to share a target (up to 4 people per target).
