

Captains Charity Day Saturday 22nd June 2023

In the week preceding to the event, I knew that the weather was not looking good but hoped it would pass through on the Friday. On Friday afternoon I made the decision to proceed with the event as it is always difficult to rearrange competitions especially with so much planning for the day.

It was an amazing day with the bad weather not damping your spirits. To all of you, my gratitude for your support and generosity that has been unprecedented. I can never begin to extend my thanks and appreciation equal to your support and generosity. In my opinion you were all winners on the day giving up your time to play in horrendous weather to raise funds for the MND Association. You all helped raise £1830 for the MNDA charity which is amazing and shows what a great club we are.
