

hello june

Infant one

Summer is almost here! We look forward to getting outside for walks and enjoying some fresh air. We will have water play with our ocean animals in our sensory bins. We wish a very Happy 1st Birthday to

Hannah! We hope you enjoy your special day! We will welcome two new friends this month Teagan and Anastasija. We are excited to have them join our room. While we will welcome new friends, we are sad to say goodbye to our friend Oliver. We wish him and his family the best.

Our mighty minute this month is called

Daddy Loves You

What to do:

1. *Sing to the tune of "Are you sleeping?"*
[Daddy] loves you.
[Daddy] loves you,
[Abraham], [Abraham].
[Daddy] loves his baby,
His sweet baby boy.
[Daddy] loves [Abraham].
2. ***Repeat using other family members' and teachers' names.***

Infant 2

It's now June and the weather is getting hot hot hot! We plan on taking the babies out into the kiddie pool to cool off. When we play in the pool we take different things with us like cups and colanders to practice scooping up water and pouring, which enhances gross motor skills. We even take toy animals out with us so the babies can give them a bath! Splashing around in the water is so much fun in addition to being a sensory experience. If you would like your child to get into the water this summer, please send swim diapers and swimsuits that we can store underneath their cribs.

The babies are a lot more mobile now and able to explore more things beyond their reach. Some of our friends have even begun to pull themselves up on things. They are also doing so good feeding themselves at lunch time. As these skills develop we are also working on communicating with them. At lunch time we are teaching them to use sign language when asking for more food and when saying please and thank you. We ask "Would you like more food?" while signing and then guide their hands to do the sign too. When playing if a baby's toy is stuck or they cannot get to something we try to teach them the sign for "help" while also guiding their hands. Sign language is helpful in that it advances speech development and babies will not feel so frustrated when trying to communicate their wants and needs because they are able to express themselves. We read books, sing songs and talk with the babies all day long so that they can get to know our speech patterns and learn new words. Soon they will be having conversations with each other and in the not-so-distant future will become chatty toddlers!

Toddler one

The sun is shining, weather has been nice and the kids are enjoying being outside.

During the month of May, children had lots of fun discussing Pets, bird and colors.

For the month of June, we will discuss Farm Animals, camping shapes and colors. We also will be working with children following routines and Rules.

Along with weekly theme we will continue to practice good manners sharing and using words. Children will continue work on their gross and fine motor skills activities to help our little one strength their large and small bones and to become more independent.

Father's Day is coming soon; lots of surprises and craft will be working on this month. We will read books and talk about how much we love our dads.

During summer stay cool and hydrated by drinking plenty of water is our priorities to our children.

We will start outdoor water play activities so please bring your swimming suit, swimming diapers and a towel for your child.

Miss. Albina

Toddler Two

Welcome summer time!

During the month of May we made our Mother's day gifts, practice our writing in dotted lines and working on letter, numbers and shapes. This month we will be learning about picnic and camping. We will make Popsicle S'mores and tissue paper fire. Another theme this month is ocean life and sea turtle. Making paper plate turtle will be so much fun. We enjoying playing outside and looking forward to have some fun water play. Please make sure to bring swim suit, swim diaper and his/her own towel. We will be working on our manners using our inside voices and learning about the thing we see outside. We will be working on Father's Day present and talk about how much we love them.

Enjoy your summer

Miss. Matilda

PRESCHOOL NEWSLETTER FOR JUNE

Summer is officially here and for the month of June we have lots of fun in the sun summer activities planned for our class!

THEMES OF THE MONTH

- 1. Summer Fun**
- 2. Father's Day/Ocean**
- 3. Beach**
- 4. Rainforest**

BOOKS FROM OUR COLLECTION

- 1. I See Summer**
- 2. Swimmy**
- 3. A Day at the Beach**
- 4. Over in the Jungle**

SOME OF THE ACTIVITIES PLANNED FOR MARCH

Painting with Bubbles

Sea Shell Sorting

Sandy Beach Sensory Activity

Making a Rainforest Rain Stick

SKILLS TO BE DEVELOPED THIS MONTH

Throughout the month of June we will continue to spend more of our time outside and learning from what nature has to offer. We will care for our class garden by watering it each day and we will watch as our plants grow and begin to produce vegetables that we can eat. Through this we will learn all about what all plants and living things need to live and grow. Walks and trips to the grassy field and Wagar Park will be great opportunities for us to get out and enjoy the nice summer weather each day. As always we will continue to emphasize the importance of sharing and kindness in our class. We will also continue working on our letter recognition and writing skills as well as counting and number recognition. We are so excited for all of the fun and engaging activities we have planned for the upcoming month and cannot wait to share them with all of our friends!

...

Megan

Pre-K

Summer is finally here and we couldn't be more excited. We've enjoyed this beautiful weather and try to get outside as much as we can. We FINALLY made it to the new park.

All the kiddos LOVED it 😊

The classroom really enjoyed growing our very own butterflies. The children learned the words *chrysalis* and *metamorphosis*. Each day we would check on the progression of the butterfly cycle. We plan to name the butterflies and then release them 😊

We wrapped up the last of our letters of the alphabet and will continue to work on various skills during the summer. We're excited to have Oscar and Mia join our

classroom again. We're also happy to welcome Eleanor to our classroom. We hope to start some water play this summer and there will be more information to come.

Pre-K Popular Songs

*I like to Move It: Madagascar

*Ninja Turtles Theme Song

*Dinosaur Stomp: Go Noodle

*We are the dinosaur: Laurie Berkner

We hope that everyone is having a wonderful start to the summer.

Happy Father's Day!

Office:

*Starting from June 2nd Staff and Parents who are vaccinated will be permitted to be mask free, Staff and Parents who are not vaccinated will be kindly asked to keep wearing their masks the inside the building.

*Please come through the front door and out the walk way door.

* We are now taking orders for our own Stuffed animal for "Make & Take" event. Just visit noahsarkworkshop.com. Tell us what is your choice and we'll place the order for you.

*Please be sure to keep your child's fingernails trimmed so that they do not accidentally scratch themselves or anyone else.

*Breakfast is from 7:30-8:30 in all classrooms. Please be sure that your child is here on time if you wish for them to eat breakfast at the center.

*Please be sure that your child has at least two complete changes of weather appropriate clothing.

*Last but not least we want to welcome Razan Mohamed she will be our new summer camp and school age program director she come to us with an early childhood experience.
