

HELLO
OCTOBER

Infant one

Hello Fall

The infants have been super busy taking on new milestones. A few of our younger infants have begun sitting up. They are all smiles while playing with their friends. Our older infants are busy exploring their environments with lots of babbling and hand gestures. We have enjoyed playing in the gym with the push cars, bubbles and tunnels. We are looking forward to the leaves changing colors and hoping to bring a few inside to play with.

Our mighty minute this month is called

Two Little Ducks.

What to do: Recite the rhyme with the child. Use your thumb and index finger on each hand to make pretend duckbills.

One little duck said "Quack, quack, quack,"

The second little duck quacked right back.

The first little duck said, "how do you do?"

The second little duck said, "Fine. How are you?"

The first little duck asked, "Would you like to play?"

So they swam away together to have fun all day.

2. Encourage children to use their thumbs and index fingers to "quack."

Infant two

Infant 2

October has come already and the babies in Infant 2 are ready for autumn! We will be doing fall art projects and some sensory play, too! We like to bring in colorful leaves, pinecones and acorns from outside. While our friends explore these materials we talk about what they are seeing and feeling, such as colors and textures. Weather permitting, we try to get outside before it gets too cold. As the temperature drops, feel free to bring in jackets and sweaters in case

we do make it outside this season! Please be sure to check your child's extra clothes bin and replace summer clothing with clothes for the cooler weather. The bins are located beneath the changing table, or you can ask your child's teacher to check for you.

Something the babies enjoy right now is playing with baby dolls! We bring out different props to support this imaginative play activity. We have bottles, spoons, bowls, cups and plates. Our friends enjoy "feeding" the babies and like to cover them with blankets and rock them to sleep as we sing "Rockabye Baby." Another song we like to sing is "Ten in the Bed." We practice rolling over by gently moving our little friends as we sing. Our older friends enjoy doing the rolling themselves! This month we would like to wish Letty a very Happy Birthday! Letty turns one on October 2nd. Happy Birthday Letty! Let's continue to grow as we play and learn together in Infant 2!

Toddlers

Hello everyone!

What a fun we had in September, we had so much fun with our "All about me".

We are excited to keep fall fun going into October. In October, we are going to talk all about Fall, leaves and pumpkins. Towards the end of the month we are going to focus on Halloween!

To start off the month we will learn about the leaves colors changing. We will make cool art wall that will show the changes that happen to trees and leaves that we see from week to the following one.

While we play outside, Children will collect together leaves and fill bags. There will be some fun poems and song to sing. We will also throw scarves in the air and try to catch them like falling leaves. We're also will carve and decorate a big pumpkin in our class and children will discuss What is inside of the pumpkin? and pumpkin different sizes, shapes and colors. We will learn at the sensory table.

We are planning to have a trick and treat Party so please feel free to bring some small treats so we can celebrate together as. Thank you for your support.

SKILLS TO BE DEVELOPED THIS MONTH

October is such an exciting time for our young friends! With Halloween approaching, Pumpkins all around, and our world outside changing before our eyes there is certainly a lot for us to look forward to. Throughout the month we will practice acting out the parts of The Little Old Lady... book, engage in pumpkin themed counting games and gourd sorting activities, and learn all about how apples grow from the seeds inside. As always we will continue to emphasize the importance of sharing and kindness in our class. We will also continue working on our letter recognition and writing skills as well as counting and number recognition. We cannot wait to spend the next month sharing all we have planned for our preschool friends!

Pre-k

Fall is here and we love it! The kiddos are having LOTS of fun playing outside and seeing all the leaves. They've become great nature collectors outside ☺

The children have begun our unit "All About Me" and the letters N, W, and P. This month we'll continue to work on fall activities as well the letters H, M and A. Throughout the week we focus on the letter sound, writing it, and identifying it.

We want to wish Advitya a **VERY HAPPY BIRTHDAY!** We plan on having a Fall Costume party (*more information to come*). The kiddos have been very interested in Dramatic Play and making structures with various materials.

Current Favorite Pre-K Songs:

*Rise and Shine: Dr. Jean Feldman

*Hands Up: Dr. Cool and Pride

*Shake Yo Foot: Koo Koo Kanga Roo

*Baby Shark: Pinkfong

Thank you to everyone who ordered Scholastic Books last month. We were able to add more than 20 books to our library ☺ We hope everyone has a FANTASTIC October
