The Improved 12-inch Trimmer

More Precision. Easier Cuts. *Smarter Design.*

Our most-loved 12-inch Trimmer just got better — with updates that make measuring faster, cuts more accurate and trimming wider pieces easier than ever.

Compatible with current Trimmer Bag, 12-inch Replacement Mat Strip and 12-inch Trimmer Blades.

Enhanced Measurement Markings

- NEW 1/16-inch increments for finer, more precise trimming
- Wider inch dash marks for faster, easier identification while cutting
- Centimeter measurements added to metal cutting arm

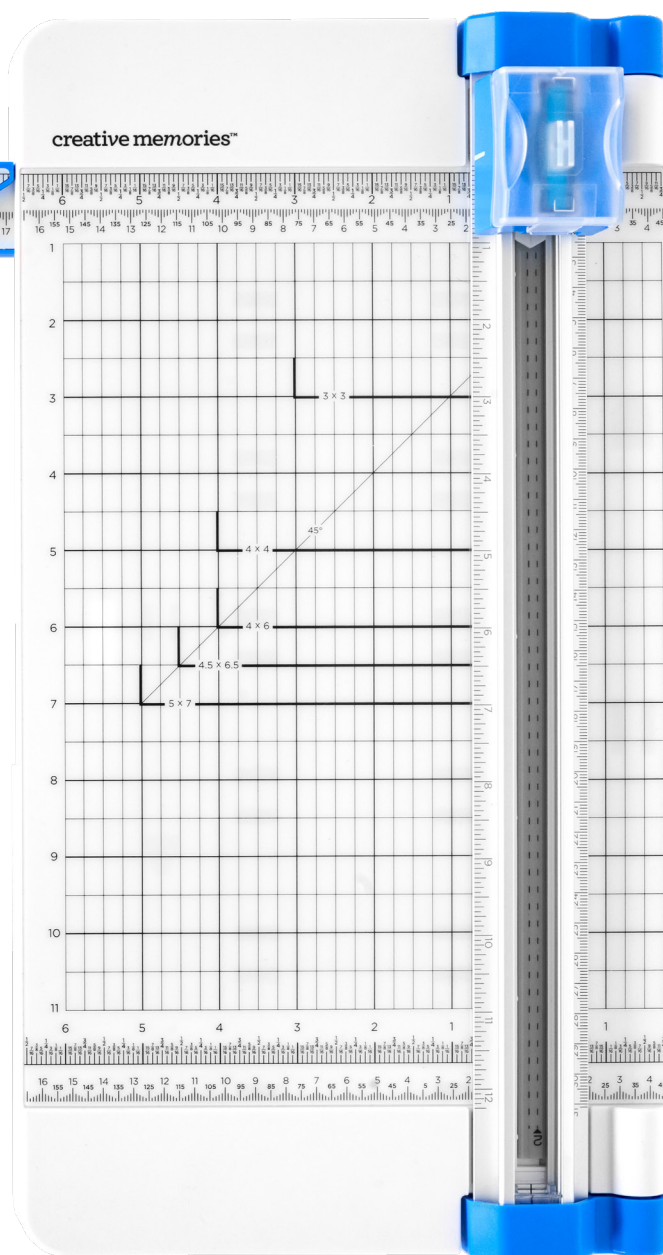

Wider 6.5-inch Base

- Better support for trimming wider cuts
- NEW built-in storage for your Multi-Purpose Tool and Lifter Stick

More Workspace, Less Clutter

- Swing-out ruler resized to 6.5 inches to free up valuable workspace

The Improved Photo Trimmer

More Precision.
More Control.
Better Photo Trimming.

Our fan-favorite Photo Trimmer just got better — with updates that make measuring faster, cuts more accurate and your photo trimming more precise.

Enhanced Measurement Markings

- NEW 1/16-inch increments for finer, more precise trimming
- Wider inch dash marks for faster, easier identification while cutting

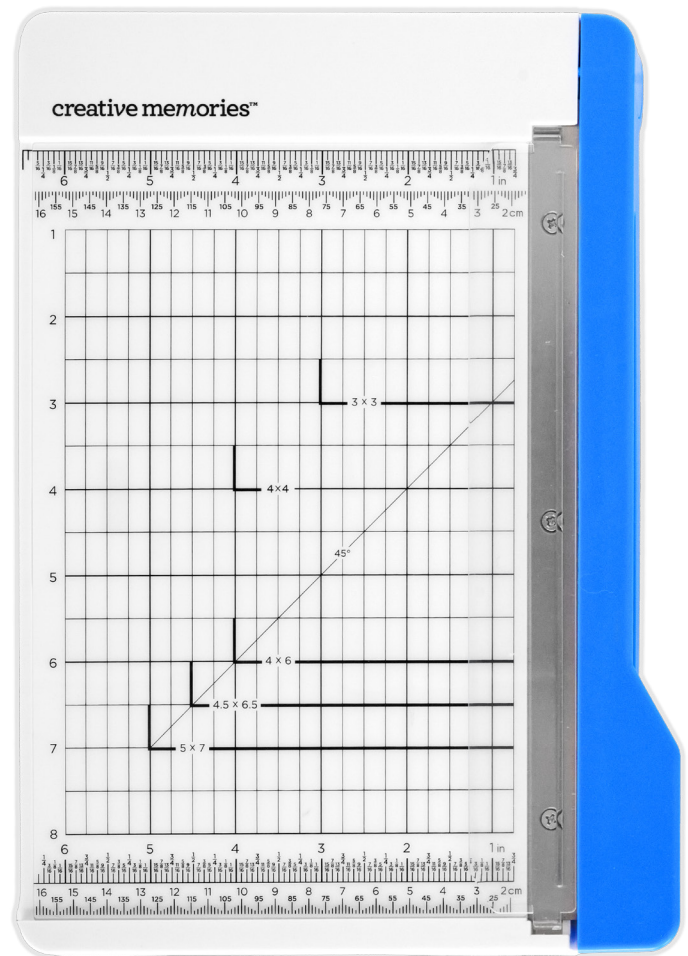

Magnetic Cutting Arm

- Magnetic closure keeps the cutting arm securely in place for safer storage and travel
- Designed to nest with the 12-inch Trimmer for efficient storage

Compact, Workspace-Friendly Design

- Built-in storage for your All-Purpose and Micro-Tip Scissors
- Compatible with your current Trimmer system

Compatible with the 12-inch Trimmer and Trimmer Bag.
