

Note: Sketch shown above is meant to correspond with the Cutting Guide. It does NOT represent specific designer papers.

INSTRUCTIONS

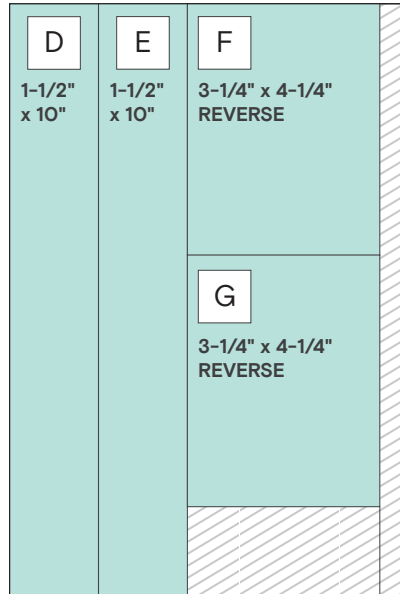

1. Use the 12-inch Trimmer to follow the Cutting Guide with designer paper and cardstock.
2. Use the Notebook Edge Border Maker Cartridge and Original Border Maker System to punch pieces H, I, J and K as shown.
3. To create the left base page, use the Tape Runner to adhere piece A along the right edge of piece D. Use the markings on the 13x13 Cutting Mat to align piece J on top of piece A, overlapping until the combined papers create a 6.75" x 10" base page. Adhere with the Tape Runner.
4. Repeat the process to create the right base page by adhering the left edge of piece B along the left edge of piece E, then aligning piece K on top to create the 6.75" x 10" base page.
5. Adhere pieces H and I to the layout as shown.
6. Adhere pieces C, F and G to the layout as shown.
7. Adhere photos as shown.
8. Optional: Apply stickers and journal as desired.
