

CARA VICINI

FOR STATE SENATE
DISTRICT 12

I decided to run for office because our voices were not being heard. Years of failed policies and government overreach, high inflation and a border out of control was a serious cause of concern.

I knew that in order to protect the future of Arizona, I had to act.

My professional experience building infrastructure systems of checks and balances in addition to managing million-dollar budgets for international property management firms give me the expertise needed to keep government spending in check.

I am dedicated to being your voice in the Arizona legislature.

- Rebuild our economy
- Restore trust in elections
- Control our border
- Strict penalties for human trafficking
- Build more affordable housing
- Achieve education excellence
- Ban toxic chemicals
- Support local businesses
