

Build and reward customer loyalty with the Payanywhere Loyalty Program.

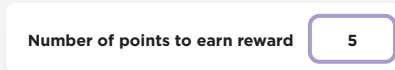

Payanywhere Loyalty allows you to reward regulars and recruit repeat customers through your own loyalty program.

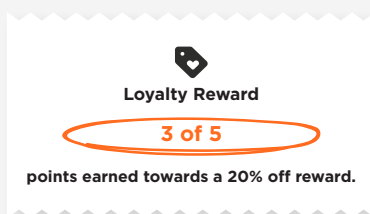

Simple and effective.

Customers can enroll and begin earning points.

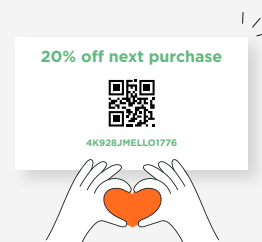

Their rewards, your way.

Customize each detail of your loyalty program from what the reward is to how many points are needed to earn the reward.

Track progress at each visit.

Points are tracked on customer receipts so they know how many they have and how many more they need to hit that magical reward milestone.

“Redeem your reward!”

When your loyal customers earn a reward, they will receive an email with a unique code that can be applied to their next purchase.

Create your loyalty program today at paymentshub.com.
