

Your success is written in the stars with Payments Hub Reputation Management.

Manage customer satisfaction, monitor the competition, and build a stronger online reputation right from Payments Hub.

Google reviews can serve as a make or break decision point for potential customers. Keep customers coming through the door by taking control of your online reputation with powerful business and reporting tools. Higher customer satisfaction means higher qualified traffic and a stronger first impression on Google search.

View and respond to customer reviews.

Create quick replies and respond to customers faster.

Monitor competitors and see how you compare.

Grant employee access without sharing your Google Business profile.

Customize alerts for new customer ratings and reviews.

View review trends and customer satisfaction at a glance.
