

Independently Licensed Clinician (1099) Virtual Psychotherapist in mental health and addictions Care

Location: Remote / Telehealth (Must hold active licensure in Arizona)

Engagement Type: Independent Contractor (1099)

Reports To: Clinical Director

About the Role

We are seeking an independently licensed behavioral health clinician to join our virtual practice specializing in mental health, substance use disorder and behavioral addiction treatment. This is a 1099 independent contractor engagement for a clinician who wants to build or supplement a caseload with full clinical autonomy, backed by the practice's credentialing, billing, and administrative infrastructure. Experience in trauma, co-occurring disorders, adolescents, older adults, eating disorders, and children are especially encouraged to apply.

Qualifications

- Independent clinical licensure in Arizona (e.g., LCSW, LPC, LISAC, LMFT, or Psychologist) active and in good standing
- No clinical supervision required (independently licensed)
- Experience with substance use disorder and/or behavioral addiction populations strongly preferred
- Comfortable delivering care via telehealth platforms
- Carries (or is able to obtain) individual professional liability/malpractice insurance
- Ability to maintain timely, compliant clinical documentation

Compensation Structure

Clinical Rate: \$70.00 per clinical hour, inclusive of related documentation and case coordination for that client. Payment for sessions is not rendered until notes are completed and received.

- No separate administrative pay, benefits, or stipends are provided under this agreement, consistent with independent contractor status

Team/1:1 Supervision Rate: \$20 an hour for weekly Team participation & Bi-weekly 1:1 administrative supervision

Reimbursement Structure of Practice: Practice currently uses third party for credentialing and billing with intent to bring it in house in next year.

Schedule

- Contractor sets own schedule, caseload volume, and may see clients elsewhere, consistent with independent contractor status
