

## Scalar Energy Regeneration

### ACTIVATING HEALTHY HOLOGRAPHIC FIELDS

*"Scalar waves enhance the wireless anatomy of the subtle bodies. They also raise vibrational frequencies and align sub-conscious, conscious, and super-conscious mind."*

Many of the products I create, including personalized, customized formulas, are potentized in my scalar wave chamber.

Scalar waves are a well-known phenomenon described in astrophysics, geology, and hydrodynamics. They occur naturally in Nature (e.g., thoughts, DNA), but currently many healing-technology systems are emerging that can generate scalar waves to intelligently interface with one's living bio-interactive fields.

Scalar waves are non-linear, non-Hertzian waves, that have the ability to carry information. They travel faster than the speed of light and do not decay over time or distance. Scalar-wave technologies create a transcendental healing experience in which the individual is infused with restorative information and bathes in super-conductive, highly dense coherent energy fields.

Restoring the genetic perfection inherent in our original blueprint is a natural process of self-regeneration found at the subatomic level manifesting into the cellular functions.

Scalar waves are self-contained three-dimensional waves that spin on a fixed axis. Non-linear waves propagate throughout the body via the crystalline lattices of the elaborate collagen network. Scalar waves increase the energy covalent level of every single hydrogen atom in the body as verified by spectrograph. This is significant in that hydrogen bonds are what hold DNA together.

Dr. Glen Rein, a quantum biologist, points out from his experiments with scalar waves that they positively influence the immune and nervous systems independent of the belief systems of the individual. Every cell in the human body, when functioning at its maximum health potential, ranges between 70–90 millivolts. Dis-ease and aging occur when the cellular energy depreciates to levels below this range.

The human body has crystalline structures in every cell wall that are capable of holding a charge. The shape of scalar waves is reminiscent of the multiple helical structure of DNA as it folds in on itself. Quantum Mechanical models describe subatomic particles that can store and carry biological information along helical macromolecules like DNA. **This indicates that scalar energy is capable of imprinting itself in the DNA.**

**From a scientific perspective, scalar fields produce the following effects:**

- Promote longevity and prevent aging through entraining the physiology to gain self-referral regenerative healing functions
- Neutralize harmful effects of EMFs
- Increase covalent level of hydrogen atoms that hold DNA together
- Maximize nutrient uptake and cellular detoxification
- Increase immune function
- Increase amplitude of EEG frequencies (brainwave coherence, mental focus)
- Balance the two hemispheres of the brain (super learning)
- Catalyze heightened states of awareness and creativity
- Increase connection between the Universal energy of God that is limitless, without time and space, and able to advance the process of manifestation in regard to health, wealth, and happiness
- Create cumulative beneficial effects

- Increases connection between the universal love energy of God that is limitless, beyond time and space

*"Scalar fields have a potential for increasing energy and reversing aging. They increase the connection between that universal energy which is limitless, without time and space, and your awareness of it, to use it in order to manifest whatever you want to manifest, whether it's health, wealth, or happiness."*

### Scalar Wave Lasers (SWL) Advanced Quantum Cold Laser Rejuvenation Technology

Scalar Wave Laser (SWL) systems are portable, handheld units designed to be used by lay persons and professionals alike. The SWL combines the most advanced cold laser technology with state of the art quantum scalar waves to address all facets of health and dis-ease, supporting the shift toward a more holistic state of coherent consciousness.

#### Neutralizing Stress with Scalar Waves

Scalar waves are neutral waves of energy that exist in nature. These wave forms are often found at power spots and pristine environments deep in the forest, and at the great, silent depths within oceans. Scalar waves do not have polarity, and therefore do not travel in a linear fashion from past to present. They are unified field energy that is profoundly effective in neutralizing chronic pain, stress, dis-ease and cell memory of any kind.

Scalar waves neutralize the polarity that holds the trauma or psycho/emotional thought forms that cause suffering. They unwind and clear distortions, resolve conflicts, and clear the pre-programmed negative/destructive patterns of information in the mind/body energy fields that lead to stress and dis-eased conditions.

#### SWL Benefits

- Pain Relief
- Healing Injuries
- Anti-Aging
- Weight Loss
- Immune Enhancement
- Organ Balancing
- Glandular Rejuvenation
- Lymph Activation
- Chakra Balancing
- Nerve Regeneration
- Laser Acupuncture
- Laser Facelift

#### SWL: A Unified Field Protocol

The *Scalar Wave Laser* (SWL) training process is based on a quantum understanding of the body called the Unified Field Protocol. This revolutionary low-level laser training approach honors the body's wisdom, and recognizes that the nature of the body is to regenerate. Using lasers to donate energy to the cell, so it regenerates and returns to its normal, healthy state of functioning.

The *Unified Field Protocol* is a proprietary process for unwinding cells, organs, glands, meridians and chakras into the unified field. It recalibrates cells, organs and the entire body/mind organism towards an advance state of health and well being. The Protocol is not based on germ theory or the attempt to fix or cure. It is based on the principle and understanding of pleomorphic principle—that the body finds solutions to situations when it is relaxed and at ease, with all of its systems up and running, and working together.

The body is, at a fundamental level, a body of light. All cells and body systems are designed to be relaxed and at ease in neutrality. The universe is 99% neutral energy, or space, and when we relax and unwind the polarity, or cell memory, the cell opens up to this unified field of energy.

The Protocol also works great on all injuries, disease, stress and tensions by shifting the cell memory, or contraction of energy into a state of cellular self-regeneration that is directly connecting to our universal source of light and unlimited energy. This approach works great for everything from the smallest cells and DNA to the larger organs and even the emotions and entire chakra field of energy.

The Unified Field Protocol aims to return the cellular field or body to this quantum state of being neutral. Which naturally plugs us into the vast and neutral field of energy that makes up this universe.

The SWL protocols work on the understanding that in order to assist the cells and the body to do this work of regenerating cells we have to first unwind or clear the cellular energy. This cell energy is what limits new cells from the full state of energy and the quantum state wellness.
