**TAKE BACK  
ILLINOIS**  
REPUBLICAN PARTY

Dear Friend, YOU deserve a choice this November!

In case you don't know me yet, I'm **Kathie Hansen**, the **Republican** candidate for the IL 67<sup>th</sup> District House of Representatives. I am the **best choice** because I am **passionate about representing your needs**. My Democrat opponent represents Madigan's desires on every vote. I look forward to many opportunities for us to get to know each other over the next short time period - then in November you will have a real choice, a better choice. This election is too important for us to not step up to vote for America!

I grew up in Rockford and graduated from East HS. where I was a JROTC cadet; I then joined the USAR. I'm a **veteran**, having served during the Panama Conflict Era. I'm the **proud single Christian mother** you may have seen me studying on the park bench as my amazing sons, Alex and Sean, played. **I've worked for a living my entire life**. I have a modest home on Charles St. I graduated later in life with high honors and a **BS in Technical Management at DeVry University**. I also have extensive work experience as a Manufacturing Engineer. Earlier in my life I graduated with an **AAS in Manufacturing Engineering from Rock Valley College** and **2-AAS in Horticulture from Kishwaukee College**. I even worked in landscaping management following 9-11-01, as I developed an ability to create positive solutions (not excuses) to support my sons. Today they are grown young men who make me proud, as they are both on the path to follow their dreams.

As I gained education and life experiences, I evolved, grew, and long ago I #WalkedAway from the other party. The values I cherish, support Republican values and The American Way of life. I will focus on growing of our economy with meaningful jobs, education, protecting innocent human lives and family values, and decreasing taxes to encourage eliminating government waste.

Currently, my community involvement includes political, patriotic, and professional experience. Elected to two terms as a **precinct committeeperson**; I first served as an **Area Captain** and now as **Secretary** for the **Winnebago County Republican Central Committee**, receiving a 2020 Volunteer Leader of The Year award. I also serve as the 1<sup>st</sup> vice-president of **Northern Illinois Republican Women**, a Christian community group whose goal is to Educate and Empower voters, and Elect candidates who care about the issues of our community. I am a member of **Women of Today's Manufacturing - Rockford**, which is devoted to raising awareness in manufacturing, education, and providing scholarships. I am a member of the **American Legion**, which strives to promote a better understanding of the principles of democracy, instilling among all a higher appreciation of the benefits of **American** citizenship, as well as to serve the needs of all veterans and their families. While I was a **Master Gardener**, my favorite project was to help build gardens for the residents of Cabrini Green, Chicago to be able to grow healthy foods they needed.

**Please contact me if you would like to volunteer to be on a winning campaign team. We welcome volunteers who have a passion to further our desire to improve our community for all. Our amazing volunteers were able to put me on the ballot despite the state being closed for business. We are proud to be able to give the voters a conservative choice this November!**
