What should my child wear?

Participants should wear comfortable shoes (no spiked cleats). Shin guards are ok, but not required. A Lil' Kickers jersey comes with registration to first-time customers and are available for purchase after that.

How long are your sessions?

We offer four sessions a year (Fall, Winter, Spring, Summer) that last approximately 10-13 weeks.

Can I join in the middle of the season?

Yes! We offer open enrollment so that you can join anytime and have your class fees prorated, meaning that you pay only for the remaining classes and not the full session fee.

What is your make-up policy?

Make-up classes can be made based on availability, and within the current session. We do our very best to accommodate your requests.

How is Lil' Kickers different?

While many soccer programs are busy using traditional soccer drills to drive home the fundamentals of soccer, we approach coaching from a child-centered perspective. Our main goal is to make learning fun for kids. We do this by putting instruction into a context that children understand using special techniques designed around how kids naturally learn. Lil' Kickers teaches your child the fundamentals of soccer but focuses on the whole child. Our program helps build social, emotional, and well-balanced and conscientious individuals on and off the soccer field.

How long is each class?

Each of our classes lasts 50 minutes with water breaks throughout, so be prepared with a water bottle. Between classes, there is a 10-minute break.
