

FLIP it's

Create Your Own Flipbook!

The following five pages contain numbered animated poses. Print out the PDF, cut them out, and assemble them to create your very own flipbook using the directions below!

Step 1: Cut out frames on dotted line.

Step 2: Place papers in numerical order.

Step 3: Choose a paper clip. (a clamp or bulldog clip work best, but a paperclip can also manage)

Step 4: Clip Animation together.

Step 5: Hold Flipbok with right thumb loosely holding pages.

Step 6: Let thumb loosen slowly and let pages FLIP!
