We had a great turnout for the August meeting.

A Message from Acting President Jerry Klages

The Probus Club of Woodstock-Oxford is a club for retired seniors. This club has existed and grown mainly by word of mouth. In this impersonal world we have been failing to make ourselves known to our new seniors and retirees. We are attempting to make the club more visible with some advertising. Would you share in this effort in your neighbourhood? As is said, the more the merrier!

September is now upon us as we start a new club year. The annual meeting is part of the September meeting where we elect new officers, determine our budget and figure what our members want for the coming year. Nominations for any position can be made during the annual meeting and we ask the nominee be confirmed by the nominator.

Come to the meeting on 10 September and bring a friend or a neighbour. Remember our picnic on the afternoon of 11 September at Sweaburg park

Want to have more fun? Volunteer to help organize and run our club.

Past President Jerry
