## District Department of Transportation

### Mission

The District Department of Transportation's mission is to equitably deliver a safe, sustainable and reliable multimodal transportation network for all residents and visitors of the District of Columbia.

### Vision

The District Department of Transportation will continue to be a national leader in creating safety and mobility solutions for the existing and emerging transportation challenges within our community. We will prioritize building safer infrastructure across all 8 wards, utilize innovative technologies and strategies to reduce congestion and greenhouse gas emissions and expand our transit systems to connect residents to economic opportunities.

**What were your expectations? Were they met?**

No

No expectations. Definitely learned something.

to learn about jv and what are the qualifications; to become certified. Yes my expectations were met.

to learn all that was available to thrust the business forward

to become aware of how various businesses are performed

yes

to retain a lot of information on joint venture and CBE

my expectations were to obtain more information to help with the growth and of my company

acquire more knowledge about joint venture, expectations were met

I expected to get insight and tips for JVs and they were met. There were a variety of point of views which was helpful.

Somewhat

To learn more about JVs. Expectations met.

Yes

Yes, I was looking for information about JV, so I can partner with a sister company on DDOT projects.

Yes, just want a chance to prove

**Please share your thoughts on the quality and effectiveness of the speakers and presenters.**

Not what I expected. The one speaker I stayed to listen to did not provide any information I didn't already have

10/10

speakers were very informative and willing to address questions when asked

I felt the quality and effectiveness of the speakers and presenters were above expectation, professional and well spoken

the speakers seem to have an excess of knowledge about the info they delivered and although it was overwhelming because of my newness, I was able to gather unique and uniformed information

very knowledgeable

the speakers were very informative and detailed

na

clear and concise

They all provided valuable knowledge.

Edsel Brown based his presentation for CBE rather than DDOT

The speakers were very knowledgeable

Informative

Very clear and straight to subject; also very kind with questions

Effective

**Which specific areas of interest covered in the workshop did you find most valuable?**

None

Different ways to file taxes as a LLC

specific requirement needed to become jv certified

the financial information

overhead statements and how to learn to handle them

joint venture

CBE, SBA, DBE

the information about DDOT contacts

taxes, joint venture

I found the perspective of an actual business owner to be very valuable

Questions from audience

The certifications needed where the JV is established

Jv - accounting/tax consideration; forming of jv

CBE companies potential joint ventures

Procurement and taxes

**What aspects of the workshop could be improved to better meet your needs and expectations?**

More thought put into presentation materials

Have the other attendees hold their questions til the end unless applicable to that slide/section.

everything was good

n/a

how to gather financial loans effectively and more clarity on taxes and credit score

everything was excellent

learn more about the CBE and DBE

a loud speaker would have helped a great deal
