561110, 561312, 561320, 561410, 561920, 611430

Past Performance

Life Cycle Acquisition Support and Policy and Program Evaluation

- HHS Office of Acquisitions: Performed Program Management Review Oversight of procurement functions required across the Operating and Staff Divisions.
- National Institutes of Health: Currently performing Acquisition Management Review Oversight of procurement functions required across the ten Offices of Acquisition and other Government agencies that use NIH contract vehicles (e.g., NITAAC GWAC contracts) for task orders, firm fixed price, time and materials, and labor-hour contracts.
- HHS Office of Inspector General (OIG): Provided cradle to grave acquisition support for 2 HHS OIG contracts that assisted the HHS OIG with establishing its independent acquisitions office. Administered services, IT Hardware and Software contracts through NASA SEWP and GSA IT 70 Schedule during the critical 3rd and 4th quarter.
- U.S. Census Bureau, Program Office and Acquisitions Office: Executed cradle to grave acquisition support. Planned, awarded and administered contracts in support of pre and post Decennial Census implementation. Subcontractor to the MITRE Corporation, Federally Funded Research Development Corporation (FFRDC) also served as Acquisition SME for an IT Source Selection team.
- U.S. Department of Justice, Office of Justice Programs: Awarded and administered multiple IT Hardware and Software contracts through NASA SEWP and GSA IT 70 Schedule during the critical 3rd and 4th quarter.
- Health Resources Services Administration: Acquisition Process Improvement Consulting Services, developed tools, resources, and pilot training to enhance the skills of its acquisition workforce using research, surveys, interviews, and stakeholder engagement.
- U.S. Department of Interior (DOI), National Park Service: Conducted extensive Pre-Award Acquisition Planning including market research, Industry Day, and DOI-wide survey.
- U.S. Housing and Urban Development: Provided Program Process Reporting and Analysis to fully understand the overall objectives of Section 8 contract administration and assisted in developing a new strategy for obtaining the Performance Based Contract services.

Data and Risk Analysis and Audit Support

- Center for Medicare and Medicaid Services: Provided independent review of CMS Purchase Card Program to determine level of adherence to procedures and regulation by existing Purchase Card Program Cardholders and Approvers. Developed and administered training with the goal of correcting any deficiencies in the PCPs (formerly known as the GSA SmartPay Purchase Card Program).
