- Veteran-Owned Small Business (VOSB)

Responsibilities

The information below sets forth requirements related to your business' continued eligibility and its responsibilities as a certified program participant:

- **Reporting Changes:** You are required to notify SBA in writing of changes to your business that could affect its eligibility. Please refer to the attached supplemental pages for more details and examples.
- **System for Award Management (SAM.gov):** You must keep the business' SAM.gov profile and DSBS records up-to-date in order for the business to receive benefits from our Programs (i.e., to be identified by contracting officers as eligible to be awarded small business set-aside contracts and to be paid under any such contracts). You must validate your business' SAM.gov information at least annually or your SAM.gov registration will become inactive. If you need assistance in updating the

business' SAM.gov or DSBS information, please go to the SAM.gov Help Desk at <https://fsd.gov/fsd-gov/home.do>.

- **Notices from SBA:** You are responsible for responding to notices from SBA, including but not limited to notices regarding certification renewals, eligibility reviews, protests, proposed decertification and termination actions, and recertification requirements. All SBA Programs send such notices to the business' email address listed in its MySBA Profile. If the business fails to respond to these notices, SBA will propose the business for decertification or termination and may subsequently decertify or terminate it from participation in SBA Programs. Therefore, it is critical that you keep the business' SAM.gov and MySBA profiles current, including listing an active email address for contacting the business, and check your email's SPAM folder to make sure that you are receiving emails from SBA.
- **Contracting Requirements:** You are required to comply with limitations on subcontracting requirements and nonmanufacturer rule when performing any small business set-aside contracts (see 13 CFR 125.6)
