## Tree Of Objects

Theatre company, Orang Collectif create a magical world where your rubbish can be turned into beautiful music!

Using recycled object, Arthur leads you through a workshop where you'll be building your own instrument to take home. How amazing is that!

Hello friend,

We are so excited that you have signed up to our workshop!

Here is a list of materials and tools you will need to create your own musical instrument. Before we meet, start collecting some of the items.

Make sure you tick them off the list, once you have found them.

Don't forget to ASK YOUR ADULT if you can use it.

Have fun and we can't wait to meet you!

Useful Tool: Scissors

Please find your entire list below

Nat & Arthur xoxo
