Blue Door Venue

1750 CALLE DE MERCADO, LAS CRUCES, NEW MEXICO

hi, hello,
welcome!

MEET ANNA

Anna Biad, along with her husband Chris purchased what is now the Blue Door Venue in 2018. They didn't start this journey with the intent of launching a venue. Anna and Chris bought the property for future expansion of Acton Academy Mesilla Valley, a non-profit K-9th-grade school located near the venue.

The venue concept was born out of a desire to help fund scholarships and expansion of the school while creating a unique experience for guests. During the week, you can often hear children laughing and learning. A portion of venue earnings helps fund the school, which greatly benefits local children and families.

Anna is a natural when it comes to design and renovations. She embarked on a one-year-long journey to transform the property into the stunning Spanish style structure it is today.

Anna brought in many design styles that include authentic Italian tile, handcrafted wood features, quaint lighting, and a Cantera stone water feature from Mexico. The result is a masterfully designed property that has a huge WOW factor.

This historic and iconic Blue Door featured in the above photo was something Anna vowed to save. For years, people have taken pictures in front of these blue doors.

Blue Door Venue has quickly become a hot spot for events and upscale weddings.

Chris and Anna Biad welcome you to their property and can't wait for you to celebrate your special occasion.

xoxo

Anna

MEET *Team Livingston*

Let's face it, 2020 was a harsh year for everyone and anybody in the New Mexico wedding industry knows that better than most. With max capacity of mass gatherings capped at only 10 people, Blue Door was forced to close just months after starting the new season. There was so much love, time, and effort put into making the Blue Door Venue what it is today, Anna just couldn't let it stay closed. During the COVID closure, Anna and Roxanne put their ideas together and found a way to reopen the venue.

Team Livingston took over management of the venue at the beginning of 2021 where they not only help clients find their dream venue, they also provide their planning expertise, services, and rentals to help make the process seamless from start to finish.

Located just opposite to the Blue Door Venue, Livingston Bridal and Events resides at 1680 Calle de Alvarez. It's a full service bridal boutique and event planning company that is here to help with all of your special event needs.

Owner, Roxanne Livingston, has served southern New Mexico and beyond for over a decade in the wedding industry, starting out in event planning back in 2008. Livingston Bridal + Events offers men and women's formalwear, alterations, event planning and rentals, decorations, invitations, and more!

Deposits

We require a 25% down payment to secure your date, this down payment is non-refundable. In the event that you need to reschedule your date, for Covid reasons or otherwise, we will transfer your deposit to a new date that is available of your choosing. Deposits are non-refundable as we are making a promise to not double book your day. In doing so, we are refusing the business of other clients that might have otherwise booked that same date.

Covid Precautions and Restrictions

We remain optimistic as we proceed with hosting events; however, the Blue Door Venue must abide by all restrictions in place by the state including but not limited to mass gathering and social distancing requirements. As guidelines develop, we will work with each client to meet their needs while ensuring the safety of their guests. In addition, certain upgrades have been made to the facility to increase safety measures.

Food and Beverages

One of the greatest freedoms that's included with Blue Door is the ability to choose your own caterer. Every caterer operates differently and offers their own amenities. For this reason, to ensure the safety of your guests, we have additional requirements to assure they have an enjoyable dinner service. We are happy to discuss such requirements in detail at the time of booking.

There are several options for meeting your alcoholic and non-alcoholic beverage needs which we are also happy to discuss in more detail at the time of booking.
