A Millwork Partner You Can Rely On

At SOSN Woodwork LLC, we collaborate with interior designers to deliver bespoke furniture, cabinets and architectural millwork that supports your vision — and upholds your standards.

We understand that your reputation depends on:

- Accuracy in execution
- Consistency in quality
- Clear communication
- Reliable timelines

Our role is to make your design intent tangible — without compromise.

Custom Furniture

We build fully custom furniture pieces designed to integrate seamlessly into your interiors.

Our specialties include:

- Desks and workspaces
- Console tables and statement pieces
- Tables and benches

Architectural Millwork

From subtle architectural details to full feature installations, our millwork is executed with precision and detail.

Capabilities include:

- Fireplace surrounds and feature walls
- Built-in cabinetry and shelving
- Media Walls and storage systems

Materials and Finishing

We work with premium hardwoods, veneers, and finishes selected to complement your palette and project requirements.

Our approach includes:

- Material coordination with design intent
- Finish sampling and approval processes
- Careful grain and veneer matching
- Hardware selected for performance and longevity

Project: Dallas WSN

Custom Features include:

- Solid walnut 2" thick, grain matched two piece desktop
- Custom 70 degree bevelled edge
- Integrated drawer pulls
- Integrated cable hiding/storage system

Project: Spyglass Drive

Custom Features include:

- Solid Oak fluted wall and floating shelves
- Floating base cabinets with full overlay doors
- Integrated lighting in bar
- Bi-fold self closing doors to bar unit
- Matching stain and finish throughout

Project: Tomichi Trl

Custom Features include:

- Solid 10' long white oak mantle top
- Custom mitred and bevelled corner joinery
- Wraps around fireplace wall edge with a 3" overlay
- White Oak finished with a Rubio Monocoat White finish

Project: Ford St

Custom Features include:

- Integrated TV frame and wrap with removable front panel for access.
- Floating shelves with integrated lighting
- Vertically aligned white oak grain match in center feature
- Base cabinet paint finish to match existing cabinetry
- Full overlay push to open doors with soft close hinges

A Trusted Extension of your Studio

If you're looking for a millwork partner who respects your design intent, communicates clearly, and delivers consistently — we'd welcome the opportunity to collaborate.
