

## **Interfaith Earthkeepers Event Calendar Guidelines:**

### **We can post your event here if:**

1. The event focuses on Earthcare or Creation care - educating, advocating, or taking action to benefit nature in some way.
2. It is (preferably) a local Eugene - Springfield event.
3. A local faith community is hosting, sponsoring, or closely supporting the event.
4. It must be a peacefully run event.

**Please send a brief description** including what, where, when, and the name of the faith community that is involved - and how you are involved, to [interfaithearthkeepers@gmail.com](mailto:interfaithearthkeepers@gmail.com).

Also, let us know if you are on our email list, or would like to be added, for Interfaith Earthkeeper updates.
