

Interfaith Earthkeepers Agenda, Wednesday November 11, 2020

Moderator: Ron H, Minutes: Sue C.

Welcome and Check In: 1 pm

Education Session: Global Panel Report on Agriculture and Food Systems for Nutrition - Keith O

Old Business:

1. Election Followup, Comments
2. Followup, letter to Rep DeFazio regarding HR763, the Energy Innovation and Carbon Dividend Act
3. Plastic Use: Web page now targeted to plastic issue. It will be updated to include new information for avoiding use as well as recycling. Werefilit products to avoid single use plastic containers can work with one quart canning jars for items like soaps, detergents, shampoo. See werefilit.com. See also Soap Box brand of bar shampoo. The recycling by Garten for #1 and #2 plastics, with labels removal not necessary has been clarified by Babs S, who noted that only #1 and #2 plastic bottles with threads for screw caps are accepted by Garten, not #1 plastic tubs, clamshells or egg cartons, and not #2 plastic tubs or lids.
4. Kiss the Ground movie, possible future presentation. Focus on healthy soil, regenerative strategies. Trailer now on home page of website.
5. Carbon Drawdown Glossary as a tool for information and education
6. Cooperation with other people in Oregon working in same religious community space: Oregon Interfaith Power & Light (EMO), new group Faith4Future by Richenda Fairhurst

New Business:

1. Wild & Scenic Film Festival - Merrily
2. Planning Ahead for Earth Day, World Oceans Day
3. Forest Management, Emergency Wildfire and Public Safety Act of 2020, S4331, Feinstein and Daines - Sue
4. Post election efforts: Money in politics in Oregon, national issue including Supreme Court ruling corporations entitled to same protections as people - Sue
5. Education topic for next month
