Fossil Fuel companies rely on our banks to finance new oil and gas extraction projects. JPMorgan Chase, Wells Fargo, Citibank and Bank of America provide major financing for climate destroying fossil fuels.

Here are two simple things anyone can do:

1. Sign the call for banks to change: stopthemoneypipeline.com
2. Get one family member or friend to do #1,#2

For more information on the climate crisis, go to interfaithearthkeepers.org
