So Grateful for Your Support!

From the President's Garage 🏁

I want to start with a huge thank you to Jim Kimball for organizing and funding our recent Poker Run. We had a fantastic turnout, and it was especially nice to welcome several new members, along with some familiar faces from the past that we have missed. It was wonderful seeing everyone back together and enjoying the day!

Thank you to everyone who came out and participated and all of our amazing volunteers. Your support and enthusiasm are what make our club events so successful.

We have several exciting events coming up, so be sure to check the Events Calendar for dates, details, and RSVP information. Please remember to RSVP to the appropriate host when required so they can plan accordingly.

Looking a little farther ahead, Jim Kimball is coordinating our November Bahamas House Weekend Getaway, which is sure to be another fun club adventure.

We also have our Holiday Party at Tutto Fresco to look forward to. Be sure to watch for more details on both events!

Thank you again to all of our members who participate, volunteer, and help make the Stuart Corvette Club such a great group. I look forward to seeing everyone at our upcoming events!

The Stuart Corvette Club is proud to have Dyer Chevrolet in Fort Pierce as our sponsor. We appreciate the support and sponsorship they have been giving our club. Dyer Chevrolet contributes to our SCC Toys for Tots and our annual benefit car show affiliated with Keiser University in March. Without their support our ability to donate to our local charities would be greatly diminished.

Dyer General Manager is Jonathan Holmes 772-461-4800

Dyer SCC New Car Sales contact is Will Peck 772-461-4800 ext. 1130

Dyer SCC Parts and Services contact is Todd Srebrenick 772-461-4800

Dyer will also see that SCC members receive preferential treatment and get the Best Deal possible on all the Dyer dealership cars.

Dyer Chevrolet has also offered their dealership location for future club events and their conference room with prior approval.
