PRIVATE DINING ROOM AT LONDON MEMBERS CLUB

YOUR EXPERIENCE

The iconic venue that once boasted the likes of Jimi Hendrix, The Rolling Stones, The Beatles and The Who as regulars both on and off stage, has been transformed into London's most sought-after luxury private members' club, The Court. An intimate and welcoming venue, The Court offers the best cocktails from award-winning mixologist Ryan Chetiyawardana and his team at Mr Lyan Studio and a fabulous menu created and overseen by Executive Michelin starred chef Tom Sellers.

The Court club combines the elegance and speak easy charm, so beloved in the 20's, with the style and atmosphere of the live music from the inhouse pianist and performers. In a world where we are constantly looking to innovate, sometimes a contemporary take on a classic is just what is needed. Nowhere in London can you really find an example of the truly intimate and unique piano bars that used to dominate the city in the early part of the 20th Century.
