OUR MISSION:
BRIDGES provides a safe environment
with support services for people with
mental health needs in the Hinton area.

DONATION FORM

At The BRIDGES Society, we welcome anyone who wants to belong and to make connections with others. We support each other's mental wellness, and for those struggling with their mental health, we have contacts and resources available to help them get the support and services they need. Your donation is integral to the services we provide, such as hot lunches, regular social activity programming and events.

We are grateful to have such wonderful community supporters as you, who believe and share so much in our work to support mental health in Hinton. Together, we build a stronger, healthier and more resilient community!
