2021-22 MEMBERSHIP - \$10.00

Membership is open to all individuals or organizations who share our commitment to the goals of supporting those with mental health needs, and their family members, by promoting and advocating for support services and providing social outreach. Making meaningful connections in our community helps reduce the risk of mental illness as well as helping those who live with mental illness lead happier, healthier lives. Our vision is that BRIDGES upholds excellence in mental wellness for people in the Hinton community.

Your membership benefits include participation and voting at the BRIDGES Society Annual General Meeting, normally held in late May. You are also entitled to participate in all activities and programming available at BRIDGES. Our programming is free to all who wish to participate. (Some partner-agency programming may sometimes come with a drop-in fee, which is usually waived for BRIDGES members. Some programming requires registration to satisfy funding contract requirements.) Membership renewals are due annually on March 31.

You will have the satisfaction of knowing that you are enriching your community by participating in it, reducing the stigma of mental illness and by helping those with mental health needs to participate more fully in society.
