RESILIENCE, REVITALIZED AND RESPECTED

Suncoast Black Arts Collaborative devotes its mission to building economic prosperity and a diverse workforce, advocating that artists of African descent and BIPOC cultures enrich our lives, our communities, and our ability to communicate and understand diverse cultures, honoring our place in history.

Resilience, Revitalized and Respected places a nod to the Harlem Renaissance, a landmark moment in American history, celebrating creative achievements and profound developments in the arts, representing artists of African descent. This comes at a critical juncture within our community and country that requires all of us, as a community, to acknowledge, celebrate and provide the path forward for diversity in the arts, now and in the future.

“Florida Cultural Group, Inc. and The Manatee Performing Arts Center is proud to partner with SBAC for a third consecutive year in presenting a powerful exhibition during Black History Month, February 2026. This partnership has proven to be an extraordinary collaboration, celebrating artistic excellence while fostering dialogue, education, and inclusion within our community. As a host venue and community partner, we have witnessed firsthand how SBAC’s programming has expanded public access to the arts, deepened cross-cultural understanding, and energized downtown Bradenton’s creative identity.” Janene M. Amrick, CEO, Owner, and Operator of the Manatee Performing Arts Center
