

Name: Jasmine Brown, MS, RRT, RRT-ACCS, CHSE-A

Position Nominee: Delegate (elect)

1. Vision for GSRC and Role as Delegate

My vision for the GSRC is to keep growing it as a true hub for collaboration, mentorship, and professional advancement where every respiratory care professional feels supported and empowered. Running for Delegate is an opportunity for me to learn more about this role and gain insight from those who have served with experience and dedication. Throughout my time in GSRC leadership, I've always prioritized mentorship and "passing the torch," creating space for others to step into leadership and thrive. Serving as Delegate is a natural next step in that process helping others (and myself) grow while continuing to strengthen our organization.

2. Leadership Style and Collaboration

My leadership style is collaborative and service-driven. I believe in listening first, building consensus, and creating opportunities for others to succeed. As Delegate, I plan to keep communication open with board members and committees, encourage fresh ideas, and support initiatives that move us toward our shared goals. I also want to strengthen our connection with the respiratory care community by bringing Georgia's concerns and ideas to the national level, serving as a bridge between GSRC and AARC, and inspiring therapists across the state to get involved. This is an area where Georgia RTs need encouragement—many don't realize how hard GSRC and AARC work to advocate for their profession. My goal is to make that visible and help our members feel empowered to participate in shaping the future of respiratory care.

3. Unique Skills and Experiences

I bring a unique blend of clinical expertise and educational leadership. I have a strong foundation in evidence-based teaching strategies and innovative approaches to professional education. My experience in GSRC leadership serving as President, Vice President, Program Chair, and now Webmaster has given me a deep understanding of both the operational and strategic needs of our organization. I'm passionate about diversity, mentorship, and advocacy, and I believe these perspectives will help GSRC continue to grow and deliver value to our members across Georgia.
