

Ryan Echols, MBA-RRT ACCS-ACHE

Candidate Position: Vice President

Question: What is your vision for the GSRC, and how do you see your role in advancing that vision as a member of the Board of Directors?

My vision is help the GSRC become a top state society within the profession through increased professional involvement throughout the state and nationally. If selected as the VP my role could certainly help advance the visions through advocacy, direction and additional support strategies.

Question: How would you describe your leadership style, and how do you plan to engage and collaborate with fellow board members, committees, and the respiratory care community across GA?

I describe myself as a dynamic & people-centric leader that helps drive positive change and engagement across the respiratory community. I lead with my heart and care about the growth of our profession especially throughout GA.

In your opinion, what unique skills, experiences, or perspectives do you bring to the table as a candidate for office in our organization?

I'm a strong communicator, highly dedicated and have great experience in enhancing team operations.
