

Jocelyn P. Law MBA, BS-RRT, RRT-NPS

Candidate: President

- **What is your vision for the GSRC, and how do you see your role in advancing that vision as a member of the Board of Directors?**

If selected I would promote statewide awareness campaigns to educate the public about the critical role respiratory therapists play in healthcare, emphasizing our expertise and contributions in patient care. This would be done with collaboration with HOSA programs across the state. Utilize social media and community events to highlight success stories about our respiratory therapists and how we impact our local communities.

- **How would you describe your leadership style, and how do you plan to engage and collaborate with fellow board members, committees, and the respiratory care community across GA?**

I would describe my leadership style as democratic/participative. I would engage the board members in decision making processes. This approach, to me values collaboration, input, and empowerment, which can foster a sense of ownership and commitment amongst my team.

- **In your opinion, what unique skills, experiences, or perspectives do you bring to the table as a candidate for office in our organization?**

I am a current education coordinator for a major healthcare facility, and have extensive experience and expertise in designing and implementing educational programs. I am a proven leader and have held leadership positions in various organizations and will bring best practices those experiences to evaluate current GSRC operations, and foster collaborative leadership and drive change were warranted. I have led the Program and Education committee over the past 4 years and have enjoyed planning and engaging respiratory therapists across the state of Georgia.
