

Marshall Bryant, RRT-NPS

Looking to build upon current successes and continue to positively impact the GSRC with strong membership and educational opportunities.

Curriculum Vitae

Skills & abilities

My experience in advocating for patient care, coupled with my leadership skills and dedication to professional development and education, positions me to effectively represent and support our members and bring strategic insight to the GSRC.

Communication

Excellent written and verbal communication skills. Proven ability to communicate complex ideas and concepts to diverse audiences. Skilled in conflict resolution, negotiation, and service recovery.

Leadership

With extensive experience in respiratory care and medical device sales, I have demonstrated strong leadership by leading the charge in new therapies in hospital and recruiting District Representatives as the GSRC Southern Regional Rep.

Education

Middle Georgia State University 1997- 2000
A.S. Science/ Respiratory Therapy
