

Justin Jarrells, MS, RRT

Position: Treasurer

Question : What motivated you to run for office within our organization?

Can you share the specific goals or ideals that drove you to take on this leadership role?

A: I have always enjoyed being involved with the GSRC. I have held a position as student chair for the past few years and wanted to challenge myself in a new role. Originally, I wanted to become a director of a program/department and expressed interest in this role. Being a leader sometimes involves getting out of your comfort zone and attacking something head on, I did it as the student chair, and now I plan on doing it as the treasurer.

Question : In your opinion, what unique skills, experiences, or perspectives do you bring to the table as a candidate for office in our organization?

A: I am zealous, coachable and eager to learn. I will rely on the support of my committee to continue the successful financial management of this state's organization.
